

Major Fishing Harbour at Petuaghat, Deshapran, Dist. – Purba Medinipur

The Deshapran Fishing Harbour has enabled fishermen to unload their catches in a hygienic manner and also in a safe way. Time of landing loading and berthing have also been reduced. Voyage time has become less as well as catch has increased resulting in economic upliftment of the fisher folk. Fishing operation has become safer and organized. Unemployed youths are getting work for ice handling and other allied works.

The Harbour constitutes of basically construction of three Jetties and facilities like auction hall, net mending shed / gear shed / work shop / electrification/ vehicle parking / fish landing area / drainage sewerages / water supply / over head reservoir / revetment / reclamation / fishermen dormitory / canteen/ toilet/ security room / boundary wall.

Estimated cost of the scheme: Rs. 6092.65 Lakh
