

Minor Fishing Harbour at Sultanpur, Dist. 24 Parganas

Sultanpur, Diamond Harbour, having long tradition of fishing activities lacked in landing facilities along with other supporting shore based structures. Landing of marine fish was performed in traditional ways. As a result the fishes folk had to face lot of difficulties in handling and marketing of fish. To address this problem, a Minor Fishing Harbour was set up at Sultanpur, Dist. 24-Parganas(S) to cater for 228 MFVs. This project was completed successfully much ahead of the PTC.

Cost of completion : Rs 708 Lakh.
