

Improvement of Existing Road from Petuaghat (Daulatpur) to Junput, Dist. – Purba Medinipur

Junput is brisk with fishing activities being not far from the Bay of Bengal. On the other hand WBFC Ltd. has developed Petuaghat for movement of fish traffic, for which the construction of this road was necessary.

The curves have been modified to satisfy the required geometrics by

providing mostly single circular curves and sometimes combined circular curve with transition curve. With the passage of time importance of the road has been gradually increased due to growing economic activities in the road influence area. There has been substantive growth in the agricultural sector as well as in the field of fisheries activity. Hence, the improvement of the road from Petuaghat (Daulatpur) to Junput was essentially necessary in the field of vast socio-economic scenario.

Cost of the Project: Rs. 700.24 Lakh.
